Product Description

Dahlia Cafe au Lait

The undisputed queen of dahlias. Highly desired by designers and flower lovers alike for the beauty of its creamy, blush hue. Color can range from light rosy pink to champagne cream over the course of the season. No two blooms look the same. Tall, upright plant can grow to six feet tall and requires staking or other supplemental support like other dinnerplate varieties. Also produces nice large tubers. Informal derivative. 6"- 8" Blooms.

DAHLIAS ARE NOT WINTER HARDY. They must be dug up and stored indoors in a cool dark room, over winter.
